### RACE INSTRUCTIONS FOR INTERNATIONAL PARTICIPANTS

Please read these instructions carefully and share with your coaches, managers and supporters. These Race Instructions for International Participants will be available for download through the Comrades Marathon App.

The 2024 Comrades Marathon is run in accordance with the Rules and Regulations of World Athletics (WA), Athletics South Africa (ASA), KwaZulu Natal Athletics (KZNA) and the Comrades Marathon Association (CMA). All participants must comply with all applicable Rules and Regulations, including those set out herein.

#### INTERNATIONAL PARTICIPANTS

**Event Application:** All participants are required to provide accurate information, including age, gender, qualifying race and qualifying time when completing their application for entry to the race. Failure to comply with this requirement (and the submission of incorrect information) may result in your current and future entry and participation in the event being rejected.

**Qualifying Information:** All non-South African (i.e. international and rest of Africa (“ROA”) participants) must submit their qualifying information and update their registration details for the 2024 Comrades Marathon before 6 May 2024.

You may update your qualifying information by logging into your 2024 Entry Profile via this link: [https://www.easyreg.co.za/users/sign\\_in](https://www.easyreg.co.za/users/sign_in) before 6 May 2024. Kindly ensure that your name is spelt correctly, that you have submitted an accurate qualifying time, that your age is recorded correctly and that you have selected your preferred registration venue.

International and ROA participants will need to qualify within the official qualifying period (<https://comrades.com/rules-and-information/>) at a race which produces verifiable, electronic results. This means that the qualifying race needs to have its results published electronically and be capable of verification by the CMA.

#### INTERNATIONAL & ROA REGISTRATION

**Durban vs Pietermaritzburg Registration Venues:** There are two venues for participant race registration: Durban and Pietermaritzburg.

The Durban registration is the main (and biggest) registration venue and will take place at the Durban Exhibition Centre. The Durban registration venue has many and varied exhibitors within its race EXPO.

The Pietermaritzburg registration will take place at Comrades House. It is a smaller registration venue with no race EXPO. A small Mr Price Sport Retail apparel shop will be available.

**Please double check you have chosen the correct registration venue.**

If you need to change your registration venue, please do so within your race entry profile by logging into your 2024 Entry Profile via this link: [https://www.easyreg.co.za/users/sign\\_in](https://www.easyreg.co.za/users/sign_in).

Pietermaritzburg Registration: In Pietermaritzburg, international and ROA registration will take place within the Green Number Club together with participants at Green Number registration. Upon entering the registration venue, please follow signs and direction boards to the Green Number Club and International Registration and DO NOT queue within the main registration area.

Durban Registration: In Durban, the international and ROA registration will be separate from the main registration area. DO NOT queue within the main registration area. Rather, follow the sign boards to the International Registration area.

**International and Green Number Participants:** International and ROA participants who are also Comrades Marathon Green Number holders should register at the international registration desks and NOT at the Green Number registration area.

**Shoe Donation:** The initiative of donating new or used running shoes to under privileged athletes in South Africa was started by our Brazilian ambassadors and has been well supported by many of the race's international participants.

*NOTE: If you would like to donate running shoes to this very worthy cause this year, there will be a donation cage located inside the Durban EXPO, please do not bring them to the international registration area.*

**International Chill Zone at Durban Registration:** There will be an international 'Chill Zone' and relaxation area at the Durban EXPO this year. This area will allow international participants to mingle with other international participants and meet our International Comrades Ambassadors. Please note that no food or beverages will be served within the International Chill Zone. International participants may, however, bring their own food and beverages into this space.

***At registration you will receive your Comrades Race Numbers (2), a race t-shirt, a Toyota cap and a goodie bag. As an international and ROA participant you will also receive: (a) 2x international wrist bands (one for you and one for your guest); and (b) 1x international tog bag sticker (if you need it).***

## **INTERNATIONAL WRISTBANDS**

A coloured wristband will be issued to each international and ROA participant at registration. This wristband will allow you access to the international hospitality area at the finish venue. Within this area, participants and their guests will be provided with a lunch and three beverages.

Should you require any additional food or snacks, these may be purchased from the Public Vendor area at the finish venue.

The international hospitality area at the finish venue will open at 09h30 and close at 18h30 on race day.

***PLEASE NOTE: YOU WILL NOT BE ABLE TO ACCESS THE INTERNATIONAL AREA AT THE FINISH WITH YOUR BLUE RACE NUMBER. ACCESS TO THE INTERNATIONAL HOSPITALITY AREA WILL ONLY BE PERMITTED TO PARTICIPANTS AND GUESTS WEARING A WRISTBAND - PLEASE RUN WITH YOUR WRISTBAND ON.***

Each participant will receive one wristband for themselves and one wristband for a guest. Once removed NO LATE STARTERS will be permitted to proceed. Should a participant fail to heed this warning and proceed to join the main race on route, that participant will be disqualified at the finish.
